### H. F. Wynkoop no More.

After a final illness of only a few days, Mr. H. F. Wynkoop, passed to his reward Wednesday afternoon, surrounded by those whom he loved. Although in declining health, for several years, the end was not expected so soon.

Mr. Wynkoop came to this city about 25 years ago, having been born in Loudoun county April 20, 1858. He secured a position in the engineering department at the Eastern State Hospital, rising from assistant engineer to chief engineer when the late Capt. Topham resigned that position a number of years ago. He remained at the hospital until about two years ago when he resigned to go into business for himself. He organized the Williamsburg Fuel and Feed Co., later buying out the business. Just recently he had opened a new wood and coal yard on Henry street.

Mr. Wynkoop is survived by his wife, who was Miss Florence Donegan, of this city, and one son, Howard F.

The funeral took place Thursday afternoon from the Methodist church, Rev. D. T. Merritt conducting the services. The burial was under the auspices of Hamilton Lodge Independent Order Odd Fellows and Spottwood Council Jr. Order American Mechanics, of which he was a member. The floral tributes were exceedingly beautiful and appropriate, especially those from the lodges.

### FAIR EXCHANGE.

A New Back for an Old One—How It Can Be Done in Williamsburg.

The back aches at times with a dull, indelible feeling, making you weary and restless: piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Follow the example of this Williamsburg citizen.

Mrs. W. A. King, 815 W. Clay St., Richmond, Va., says: "Previous to using Doan's Kidney Pills I suffered night and day with pains across my loins so severe as to be almost unbearable. I could neither stoop nor straighten without sharp twinges striking me and to lift anything was impossible. I tried several remedies but gradually grew worse, and I was in a very poor physical condition when my attention was drawn to Doan's Kidney Pills and I procured a box. I took them as directed and they went directly to the seat of my complaint. They cured me and my back has been well and strong since. I consider Doan's Kidney Pills a wonderful remedy and can endorse them as a remedy that acts up to its representations."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York Sole agents for the United States.

Remember the name—Doan's—and take no other.

### Letter to DR. L. S. FOSTER, Williamsburg, Va.

Dear Sir: Two cans of paint look alike; two paints look alike, when opened; two jobs look alike, so long as they're new—unless one is a cheat.

They are far from alike: one is paint and the other is trash. The gallon price is not far from alike. They don't cost alike. One takes 10 gallons to paint a house; the other takes 20. The cost of one job is \$50; the other \$100—it may be \$90—the job that cost least is the good one: wears twice as long as the other.

There are two ways of telling good paint: by the name; by the number of gallons it takes for a job—least gallons, best paint. By the name Devoe; by least gallons.

Yours truly

F. W. DEVOE & CO., P. S.—J. H. Stone sells our paint.

### Play to be Repeated.

"Ye Deestric Skule," by the public school children, which was successfully presented at Cameron Hall several weeks ago will be repeated next Monday night, by request.

It is no exaggeration to say that the play as presented by the school is remarkably good, indeed far above the average of such plays.

As it is given for Nicholson school baseball team it deserves liberal patronage. Seats 25 and 15 cents.

I hereby announce myself a candidate for City Council subject to Democratic primary which will be held in this city on Thursday, May 7, 1908. If elected it will be my pleasure to look after the people's and city's interests as far as my ability will admit. I solicit the votes of my friends and the friends of our little city. Respectfully

R. F. WOLFE.

### Resolutions of Respect.

Whereas, it has pleased Almighty God to remove from our midst, and from active work in the lodge room and in Odd Fellowship, our brother, H. F. Wynkoop, therefore be it Resolved 1st. That in the death of Brother Wynkoop, Hamilton Lodge No. 289 I. O. O. F. has lost one of its most worthy and active members, whose faith in the work of the order was limitless and whose life in the lodge typical of our principles of friendship, love and truth. That while he has left us to carry on the work he so dearly loved, and faithfully performed, the influence of his spirit and the noble character of his life remain as an inspiration to more ardent labor in behalf of our order and to nobler personal efforts.

Resolved 2nd. That a copy of these resolutions be spread upon the minutes of the lodge, a copy furnished to the family and a copy sent to the Virginia Gazette for publication.

## Juniors to Give Medal.

The one secret order of the city that has at least the very best interest of our public schools will give a costly gold medal to the successful contestant in the declamation contest to be had at the close of Nicholson school. The medal will bear the name and number of the Williamsburg Council, as well as their motto.

Other medals will be given by The Virginia Gazette, Superintendent of Schools, members of the school board, and others. It is very pleasing to know that such is the interest in behalf of our children.

The commencement exercises of the school will take place on the 21 and 22, of this month. A good program is being arranged and will be printed through The Gazette later. Despite some discouragements, the school has done good work, in that the highest grades are larger and stronger than they have been for some time. Still greater things are to be expected in the future.

### Got Booze and Caught.

Phillip Cook and Peter Keesey, two colored boys, are in jail charged with robbing the express office at the depot of several gallons of booze. They treated their friends too liberally and Sergeant Lawson got wind of it. He worked up the case with the result stated. Mayor Warburton gave the alleged thieves a hearing and sent them on to the grand jury.

STATE OF VIRGINIA. IN THE CIRCUIT COURT OF THE COUNTY OF YORK, to-wit: In Vacation, April 17, 1908.

Lucy Fox, et al. ....Complainant, vs.

Emaline Reed, et al. ....Defendants, and

Marv Johnson, et al. ....Complainants, vs.

Anthony Roberts, et al. ....Defendants.

The object of these suits is to partition the real estate whereof Jacob Reed, late of the county of York, died seized and possessed, consisting of a tract of land in Nelson district, York county, Virginia, containing fourteen acres, more or less, in which said suits, Emaline Reed and Esau Reed have filed a petition, in which petition, among other things, they pray that Sallie Reed, widow of Isaac Reed, deceased, and their children, Anna Jackson, Peachy Conaway, Alice Jackson, Rosa Kimball, Ora Lee, Fannie Reed, Lizzie Reed, James Reed and Charles Reed be made parties defendants.

And it appearing by affidavit that said Lizzie Reed is not a resident of this State, and that diligence has been used by and on behalf of the petitioners to ascertain in what county or counties the other defendants are, without effect, it is therefore ordered that they do appear within fifteen days after due publication of this notice in the Clerk's office of our said Court, and do what is necessary to protect their interests.
